

Greetings Members,

Hello! My name is Barbara Huben. I have been employed by the Receiver of Taxes since 1994. Two years after starting work for the Town, I became involved with the union as a Shop Steward. In 2002, I moved up to Recording Secretary and have been holding that position since. I have always been interested in the benefits and practices of Unions. Because of this interest, I chose to become involved and maybe pass on knowledge and opportunities to present and future members. My goal is to help the membership be informed at all times, and to let them know that our doors are always open.

Thank You
