

Greetings Members,

I have been employed by the Town of Oyster Bay and a member of the Local 881 since 1988. I have been employed by the Highway Department since I started. I have held various positions throughout my career, from a Laborer in 1988 to a Highway Maintenance Supervisor, presently. I became an active member of the union in 2003 as Shop Steward. Presently, I serve on the Executive Board as 3rd Vice President.

I feel very lucky to be able to act as a liaison between employees of the Highway Department and CSEA Local 881. As a result, I have developed a rapport with the employees of my department at all levels.

Throughout my tenure, I have served on several committees and witnessed our committee membership grow. The union coordinates several events throughout the year. As the Chair of the Social Committee, I encourage you to attend union sponsored events and be a part of our success.

Thank you.
